

# MAINTENANCE & HSE PROJECT LEADER

## FOSSOUX Matthieu

Born in 1986, 23 years old

Tel : + 33 (0)6 29 34 55 19

matthieu.fossoux@gmail.com

Chemistry / Process Engineer

French nationality; fluent in English and German

International mobility; driver license B

## PROFESSIONAL EXPERIENCE

Since  
Nov. 2008

### DAIMLER / EVOBUS – France, Ligny – PROJECT LEADER : MAINTENANCE & HSE

Mission : Management of the maintenance, launch and optimisation for the surface treatment equipment

Task : - Management of the maintenance staff, Planning corrective and preventive, Failure diagnose  
- Benchmark with german factories, Equipment testing, Contractors management

Success : - Reorganisation of the maintenance management with a 2 boxes kanban system  
- Set up and reliability of an automated airless 2KPU pulverization equipment

Mission : Set up and lead an environmental management system ISO14001

Task : - Environmental Analysis, Legislative analysis Achieving conformity and continuous improvement  
- Benchmark with factory and HQ in Germany, Staff training, Driving audits

Success : - Centralized acces portal for an autonomous management of the environmental actions

2008:  
6 month

### L'ORÉAL / SOPROCOS Plant – France, St-Quentin – PROCESS ENGINEER

Mission : Manufacturing processes optimization for sticks deodorants and perfumes

Task : - Analysis (Gantt, causes, statistiques, ergonomics, heat exchange, flux, equipments)  
- Pilot tests in laboratory and in real within the production, Writing of operating procedures

Success : - Reducing of 30% for the time needed to manufacture one batch of aqueous stick

2008: 3month INRA – France, Villeneuve d'Ascq – PROCESS DESIGN ENGINEER

2006: 2month H.B. FULLER – Allemagne, Nienburg – R&D TECHNICIAN ADHESIVES FORMULATION AND TESTS

## EDUCATION

2003 – 08 **Engineering school HEI : HAUTES ETUDES D'INGENIEUR** – France, Lille  
Master BAC+5: all-around engineer, majors : chemistry / process engineering

2006 – 07 **UNIVERSITY OF LEEDS** – England, Leeds – 1 year Erasmus ; specialization : pigments and polymers

2000 – 03 **INTERNATIONAL SECONDARY SCHOOL, German section** – France, St-Germain-en-Laye

## FOREIGN LANGUAGES

French **native speaker**, French father

English **fluent**, 2006-07 : 1 year Exchange student in Leeds, England

German **fluent**, 1994-00 : Residence and school in Bonn, Germany

Portuguese **average knowledge**, Brazilian mother, several stays in Brazil lasting 1 month

## INTERESTS

Teamwork **Society HELIOS**: Construction of a competition solar car (300k€) for a 3000 km race in Australia  
2003-06 : **HELIOS** – in charge of projects then **COMMUNICATION AND PARTNERSHIPS MANAGER**  
Tasks : - Management of 3 students in the partnerships unit and transversal work with the technical units  
- Sponsorship development, communication toward the media, exhibition organization

Arts 2000-06 : Various groups and society of drawing, painting and plastic arts – exhibitions

Computers Good mastery of MS Office(Word, Excel, PowerPoint) , basics of SAP
