

Placements & work experience

The following lists are mostly from www.work-experience.org
This is the website for the National Council for Work Experience.
The Council promotes, supports and develops work experience for the benefits of students, organisations and the economy.

Further category lists can be found on the site under "useful links".
The site also has a "search placements" facility.

General work experience websites

www.nases.org.uk

A list of and contact details for all universities that have a student 'Job Shop.'

www.wiseowls.co.uk

Helping older workers experiencing difficulties in securing suitable paid employment, get sympathetic support and training.
